## Other Highlights of the Year

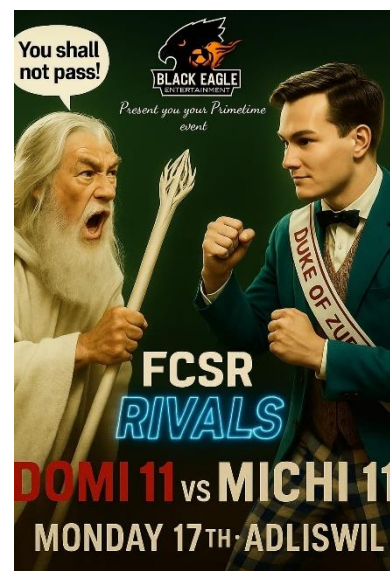

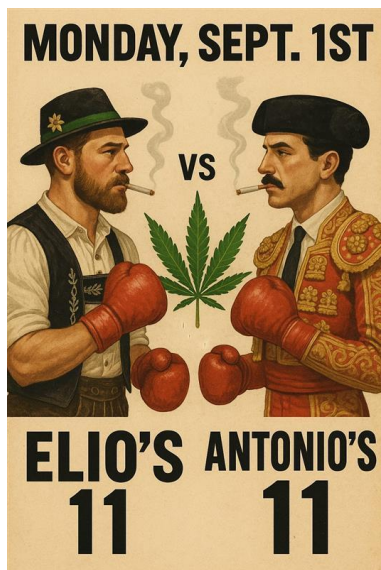

Beyond the success on the pitch, 2025 brought plenty of unforgettable moments off it. In September, the A-Team travelled to London and triumphed at the International Cup, bringing the trophy home in style. Earlier in April, the team kicked off the season with a fantastic training camp at Lake Garda, combining intense sessions with great team spirit and unforgettable evenings. Throughout the year, countless team events, tournaments such as the Synpulse Cup and post-match beers further strengthened our bond. This is proof that our chemistry off the field is just as strong as on it. Additionally, we have introduced beautiful new home and away kits! Special congratulations go to Endrit on his marriage and the birth of his first child, to Marcel on the birth of his second child and to Luca on his engagement! These milestones remind us that while football brings us together every Monday, it's the friendships and life moments we share that make this team truly special!

## Introducing Monday Primetime Events by Black Eagle Entertainment

Whenever no official match was scheduled, the team kept the momentum going with intense internal games. In recent weeks, Souleymane (aka "Black Eagle Entertainment") has taken things to a whole new level by launching what he proudly calls the "Monday Primetime Event", turning our regular training sessions into high-energy, competitive showcases that feel like headline fixtures!

These evenings have quickly become a highlight of the week, bringing extra excitement, creativity, and a touch of showmanship to our Monday nights.

## Medical Update

This season saw three important comebacks after long injuries: Dominik, Michael and Samuel all returned to the pitch! Their successful reintegration was a key factor in the positive dynamics on and off the field.

Overall, the A-Team was relatively lucky with injuries in 2025. The main setback was the concussion suffered by Filip during an internal game, which forced him to take a two-month break. Fortunately, he has recovered and is back with the team.

## Captaincy Transition

This year marks an emotional milestone for the A-Team, as Sebastiaan Van Gilst will be stepping down from his captaincy due to his move to Paris. While we are deeply saddened to see him go, we are incredibly grateful for everything he has brought to the team. Since joining as Co-Captain in April 2024, Sebastiaan has been a driving force both on the pitch and within the club's board. He introduced the now legendary "Clash of the Titans", a format that has quickly become a cherished tradition and a highlight in our calendar. His leadership, dedication, and constant positivity have left a lasting mark on the team.

We wish Sebastiaan all the best for his new chapter in Paris. We are confident that this is not a farewell but rather a 'see you soon' and we look forward to welcoming him back for future camps, matches, and celebrations. He will always remain part of the FCSR family.

At the same time, we are thrilled to announce that Dominik Renggli, one of the true cornerstones of the team and former MVP, has agreed to take on the role of Co-Captain alongside Julius. Dominik embodies the spirit, resilience, and commitment of the A-Team, and his nomination has been met with great enthusiasm. We are excited to welcome him into the board and look forward to his leadership as we continue to push the team forward.

Here's to Sebastiaan, for everything he has done, and to Dominik, for everything that lies ahead.

## Season Awards and Honours

While football will always be a team sport built on collective effort and unity, some players delivered performances this season that truly stood out and deserved special recognition. Their impact was not only measurable in goals and contributions, but also in attitude, consistency, and leadership.

### **MVP 2025: Luca Riedo**

The most valuable player for us refers to the best team player. Beyond his technical prowess, his commitment to the team, exemplary work ethic, and sportsmanship make him a standout player. Luca delivered an exceptional season, consistently performing at the highest level. Whether in high-pressure matches or internal clash sessions, he embodied reliability, creativity, and determination. His influence extended far beyond matchday, inspiring teammates and setting the tone for professionalism and commitment. A much-deserved MVP title!

### **Newcomer 2025: Alexander Magnusson**

Alexander entered the team with immediate impact, integrating seamlessly and contributing both defensively and offensively with 10 goals and 7 assists in his first season! His dynamic playstyle made him one of the most exciting additions this year. The Newcomer award reflects both his impressive first season and the high expectations for his future with the team.

### **Top Scorer 2025: Souleymane Diop**

...who else?? Souley has once again proven to be a lethal forward, claiming this year's Top Scorer title, for the 6<sup>th</sup> time in a row!! His ability to create goals out of nothing, combined with his physical presence and intelligence on the pitch, made him a constant threat to any opponent. Beyond his goals, his enthusiasm has enhanced team spirit especially through the creation of the "Monday Primetime Event".

### **Most Assist 2025: TBD**

### **FCSR Hall of Fame Induction: Souleymane Diop**

The FCSR Hall of Fame is the highest individual honour within our club, reserved exclusively for players who have made an extraordinary and lasting impact both on and off the pitch. Until now, only one player in the entire history of the club had earned this distinction.

This year, we are incredibly proud and delighted to welcome Souley as only the second ever member of the FCSR Hall of Fame. Souley has embodied excellence, passion and loyalty over many years. With what is believed to be over 150 goals scored in official matches, likely making him the all-time top scorer in club history, he has consistently influenced games at the highest level. A place in the Hall of Fame is the ultimate recognition of legacy, and Souley has more than earned his spot.

Congratulations, Souley - a legend of FCSR!
